MEDIA RELEASE

CWT retains spot in 2014 Forbes Asia's Fab 50 Companies

SINGAPORE, August 28, 2014 – CWT Limited (“CWT” or the “Group”) today announced that it has been included on the just released Forbes Asia’s Fabulous 50 Companies (“Fab 50”) for 2014. This is the second consecutive year running CWT has been ranked on the Fab 50 list since making its debut last year. The Fab 50 ranks the best big publicly-traded companies in the Asia Pacific region. CWT stands out as the only integrated logistics service provider from this year’s Fab 50 list dominated by Asian technology companies.

“We are pleased to retain our spot in the latest Fab 50 list which ranks CWT among Asia’s best performing companies,” said CWT Group CEO Loi Pok Yen. “We owe this remarkable feat to our global workforce for the Group’s consistent execution and performance delivery, and to our shareholders and stakeholders for their unwavering support. The best is yet to be.”

The Fab 50 is chosen from a pool of 1,300 public companies in the region that have at least \$3 billion in market cap or annual revenue. Forbes Asia screened for a long series of performance measures and analysed the outlook for each company. The list excludes companies that are more than 50% owned by listed parents and companies with too much debt or where the government owns at least half of the shares. The result is the region’s best of the best.

The full Fab 50 list can be found at www.forbes.com/fab50/list and in the September 8 issue of Forbes Asia magazine.
